SKU: KWF298-7004 | **Categories:** [Accessories](#) |

PRODUCT DESCRIPTION

The Kent Digital moisture gauge simplifies usage through its digital bar graph display. It provides precise readings with a 0.1% error margin, detecting up to 40% moisture content. The device conserves battery power with its auto-switch off function. Equipped with four reliable sensor prongs, it ensures accurate measurements.

The package includes a canvas bag and a 9V battery.
