PRODUCT DESCRIPTION

Elevate your outdoor experience with the Kent Dunstan Smokeless Fire Pit. Thanks to its innovative low-smoke design, you can savour the warmth and ambience of an open fire with minimal smoke. Crafted with precision from double-walled 430-grade stainless steel and heavy-duty, high-temperature powder-coated steel, this fire pit boasts durability and longevity. Its dual-fuel capability accommodates pellets and firewood, while the included ash tray ensures a hassle-free clean-up.
