PRODUCT DESCRIPTION

The new Kent Tekapo Bench Outdoor Wood Fire brings a stylish benchtop option to our upgraded Tekapo range, offering both warmth and versatility for your outdoor space. Designed for convenience and performance, it includes an upgraded pizza stone for perfect wood-fired pizzas and a stainless steel fire log grate for enhanced durability. The firebox is lined with fire bricks for optimal heat retention, while the magnetic door attachment ensures a secure seal when not in use. Complete with a flue kit, this outdoor fire is ready to transform your outdoor entertaining.

A flue kit is included, and an optional BBQ kit is available separately to expand your outdoor cooking options.
