PRODUCT DESCRIPTION

The new Kent Tekapo Freestanding Outdoor Fire offers a versatile, standalone option in our upgraded Tekapo range. Designed for both warmth and outdoor cooking, it features an upgraded stainless steel fire log grate for added durability and an enhanced pizza stone that fits perfectly in the top tray for delicious wood-fired pizzas. The firebox is lined with fire bricks for superior heat retention, and a flue kit is included for proper ventilation.

A flue kit is included, and an optional BBQ kit is available separately to expand your outdoor cooking options.
