PRODUCT DESCRIPTION

The **Kent Tekapo Trolley Base Outdoor Fire** offers a **portable** option in our upgraded Tekapo range, combining durability, functionality, and ease of movement. Designed for both warmth and outdoor cooking, it features an **upgraded stainless steel fire log gate** and an **improved pizza stone** that fits perfectly in the top tray for delicious wood-fired pizzas. The **magnetic door attachment** keeps the firebox sealed when not in use, while the **included fire bricks** enhance heat retention. Mounted on a **heavy-duty wood storage trolley**, this model includes **two oversized castor wheels** for easy maneuvering and a **slotted base design** to prevent water pooling. A **flue kit is included**, and an **optional BBQ kit is available separately** to expand your outdoor cooking options.
