wood fires & heating

PRODUCT DESCRIPTION

Indulge in the warmth and trusted performance of our Kent Rata Inbuilt wood fireplace. Designed to efficiently heat up to 190ms, it's ideal for two or three-bedroom homes, delivering steady warmth throughout your living spaces. The Rata saves floor space, creating a clean, streamlined look that blends effortlessly into both modern and traditional interiors.

- Durable finish with high-temperature baked black paint
- Strong construction built for lasting performance, backed by a 15-year firebox warranty
 - Vermiculite brick-lined firebox for excellent insulation and superior heat reflection
 - Multi-burn firebox helps keep the glass clear for an uninterrupted view of the flames
 - 41L internal firebox capacity
- For properties over 2 hectares: The Kent Inbuilt range can be fitted with a Rural Airslide, allowing for extended overnight burning - ideal for sustained heat output. [Rural Airslide available separately.](#)
