## PRODUCT DESCRIPTION

Our largest and most powerful fireplace, the Kent Ruapehu, is a 22kW wood fire featuring a modern pedestal design. Built to heat homes up to 250m<sup>2</sup>, it's ideal for spacious four-bedroom homes. An extra-wide window lets the fire take centre stage with a stunning panoramic view.

- Durable finish with high-temperature baked black paint
- Excellent insulation and superior heat retention from quality vermiculite bricks
  - Robust steel baffle plates for efficient double burn combustion
- Sturdy steel plate top, perfect for boiling a kettle or cooking a winter favourite
  - 83L internal firebox capacity
  - 15-year firebox warranty
- For properties over 2 hectares: The Kent Ruapehu can be fitted with a Rural Airslide, allowing for extended overnight burning - ideal for sustained heat output. [Rural airslide available separately.](#)
